Please find below and/or attached an Office communication concerning this application or proceeding.

Serial No: 10/053,154

The timely submission under 37 CFR 1.129(a) filed on 11/24/03 and 11/25/03 is not fully responsive to the prior Office action because none of the response has explained why and how the amended claims 18 and 19 (now both are in independent form) have defined over the prior art since both claims are product by process claims. Since the submission appears to be a *bona fide* attempt to provide a complete reply to the prior Office action, applicant is given a shortened statutory period of ONE MONTH or THIRTY DAYS from the mailing date of this letter, whichever is longer, to submit a complete reply. This shortened statutory period supersedes the time period set in the prior Office action. This time period may be extended pursuant to 37 CFR 1.136(a).
